## COVID-19 Update

- In accordance with the American Red Cross guidelines: “Effective April 1, 2022 face masks are no longer required by the American Red Cross except where required by the state, local, or corporate policies of the facility at which the training class is delivered. A student may wear a face mask if they so choose.
- Classes are delivered with the assumption that all students are fully vaccinated.
- All instructors will be fully vaccinated.
- Participants will not be asked to show proof of their vaccination.”
- Participants will share equipment. Special request must be arranged in advance. All accommodations are dependent on equipment availability and timely arrangements with our instructor.

## Illness Preventive Measures

In accordance with the American Red Cross guidelines: **DO NOT** attend training if you have or have recently had any symptoms of COVID-19 or acute illness:

- “Have symptoms like: cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, fever chills, sore throat or new loss of taste or smell, congestion or runny nose, vomit, diarrhea.
- You have tested positive for COVID-19 or been presumed to have COVID-19 and continue to experience symptoms of COVID-19 including fever.
- You are currently under quarantine for any reason.”

If attending a general public even, please contact us to re-schedule or cancel. If attending a training event organized by your employer, please notify the person in charge of organizing the event within your organization.

Thank you!
